#### PERSONNEL & ADMINISTRATIVE REFORMS SECRETARIAT

**Sub**: Use of e-Attestation portal for verifying true copies of documents.

#### Preamble:

Government of Karnataka has been working towards the use of IT systems to ease delivery of services to citizens. One major impediment to this objective has been the necessity of submitting either an original document or a true certified copy of the original for availing Government services. It is felt that the citizen will benefit if the documents can be attested digitally by an officer and then used multiple times as a soft copy, with the use of new advances in technology like block chain etc. it is possible to have a secured and reliable platform for online attestation.

With this objective in mind, an online portal has been created at <a href="http://eattest.karnataka.gov.in">http://eattest.karnataka.gov.in</a>, which will allow Gazetted officers employed with the Government of Karnataka (Central services, Group A and select Group B) to verify and attest documents online. This platform uses the strengths of Aadhaar based e-Sign and Blockchain to create a trustable and secured platform for managing electronic attestations or simply e-attestations.

The current manual process requires the citizen to seek help of a Gazetted officer, for creating a true certified paper copy. This is required each time he/she wishes to apply for any such service, which requires attested copies. This requires an unnecessary effort on part of the individual as he/she has to repeat the process each time such services are sought. Further, it adds on to the work burden of the attesting officer, who finds it difficult to validate the identity of the requestor. Also such attested documents necessarily have to be delivered physically by the citizen to the Department who requires such documents.

For the authorities to whom such attested documents are submitted, there is no alternative process to verify the authoricity of such submitted documents other than physically calling the original document and checking it again. This results in unnecessary work for Government officials and harassment and delay to citizens.

The e-Attestation portal, proposes to solve the above mentioned problems in the following ways

- a. Instead of an Ink signing/stamping for attesting a document, e sign(using Adhaar Infrastructure) would be used where signing is done digitally using PKI (Public Key Infrastructure). This is recognized as a valid signature on par with physical signature as per the IT act ,2000.
- b. It has a web based portal for verifying the authenticity of the attestation on attested document submitted by citizen to the concerned department without any exchange of physical copy of the documents taking place.
- c. The authenticity of the attested document can be verified instantly by the requesting department on Internet .
- d. The application uses blockchain technology to store the information provided by the citizens which will ensures that the data is stored in a distributed and in fault tolerant manner and would provide tamper proof system.

- e. The attested document can be downloaded, printed or stored locally by the officer and the citizen.
- The e-attested document is sent to the citizen through email and is available in the citizens Digilocker account.
- Once a document is verified and attested by the e-Attestation system, attested document will remain in database for perpetuity. The document remains valid forever and any modification/tampering would not be possible.
- h. Once attested the digital document can be used multiple number of times by sharing.

#### GOVERNMENT ORDER NO. DPAR 71 EGM 2018 BENGALURU, DATED: 13th July 2018.

In order to ensure that citizens do not face difficulty in getting the documents attested the Government is pleased to order that wherever attested document is desired by any of the departments of the State Government, documents e-attested through the e-attestation portal shall be considered valid form of submission of those documents. Heads of the departments shall ensure that officers and staff are informed accordingly. However, the departments can continue to accept the attested documents in hardcopy as well till further orders.

Concerned Head of the Departments should ensure compliance to the above protocol.

PR-422 SC-25

By Order and in the name of the Governor of Karnataka

Veerabhadra

Desk Officer-1

Dept. of Personnel & Administrative Reforms(e-Governance)

"After pronouncement of order, learned Senior Counsel appearing for respondents sought stay of the order passed by this Court.

The same has, however, been opposed by the learned Senior Counsel as well as other Counsel appearing for the petitioners.

Although, we have directed that the arrangement by way of Constitution of a Committee known as "Overseeing Committee" be made forthwith, having regard to the submissions made by learned Senior Counsel for the Petitioners, we direct that the arrangement with regard to constitution of Overseeing Committee would take effect from 10<sup>th</sup> September, 2018."

"The High Court of Karnataka as per its order dated:10.08.2018 passed in Writ Petition No.30609/2008 and connected Writ Petition has quashed the Government Order dated:12.08.2008 whereby the management of Gokarna temple was transferred to Sri Ramachandrapura Mutt and has further held that Gokarna Temple shall continue to be included in the list of notified institutions as per Section 23 of the Hindu Religious & Charitable Endowment Act, 1997. The High Court has directed constitution of a Committee to be known as 'Overseeing Committee' under the Chairmanship of the Deputy Commissioner, Uttara Kannada District and has directed that the Committee shall ensure that the traditions of the temple are maintained, amenities and facilities are provided to the devotees and the Upadivantas/ Archaks are accredited.

On 10.08.2018 after the above order was passed, on an application filed by the Respondents, the Hon'ble High Court directed that the arrangements with regard to the constitution of the overseeing committee would take effect from 10<sup>th</sup> September, 2018. The Hon'ble High Court also directed to the Deputy Commissioner of U.K. district, to make an inventory of all the movable and immovable assets within a period of two weeks from the date of the said order.

The Respondents in the Writ Petition filed a Special Leave Petition before the Hon'ble Supreme Court of India. The Supreme Court has not stayed the order passed by the High Court. Per contra the Supreme Court by its order dated:07.09.2018 has directed that the interim order passed by the High Court on 10.08.2018 shall continue. The resultant position is that the interim order of the High Court dated:10.08.2018 holds the field. As per the said interim order the Overseeing Committee is to take effect from 10.09.2018, meaning thereby that the Overseeing Committee shall ensure that the traditions of the temple are maintained, amenities and facilities are provided to the devotees and the Upadivantas / Archaks are accredited. This order of the High Court has to be implemented."

#### **COMMERCE & INDUSTRIES SECRETARIAT**

**Sub**: Amendment to the earlier approved project proposal of M/s. Anthem Biosciences Pvt. Ltd., to establish a unit for "Manufacture of Organic and In-Organic Compounds" at Harohalli Industrial Area, Ramanagara District - reg.

**Read**: 1. Proceedings of the 39<sup>th</sup> State High Level Clearance Committee (SHLCC) meeting held on 29.08.2015.

- 2. Government Order No. CI 219 SPI 2015, dated: 14.09.2015.
- 3. Proceedings of the 111<sup>th</sup> State Level Single Window Clearance Committee (SLSWCC) meeting held on 01.08.2018.

#### Preamble:

The project proposal of M/s. Anthem Biosciences Pvt. Ltd., to establish a unit for "Manufacture of Organic and In-Organic Compounds" with an investment of `.235.00 crore generating employment for about 590 persons in 10 acres of land at Harohalli Industrial Area, Ramanagara District, was approved in the 39<sup>th</sup> SHLCC meeting held on 29.08.2015. Accordingly, Government Order read at (2) above was issued. KIADB has issued Allotment letter on 24.01.2018 for 8 acres of land in Plot No: 313-P, 314-P & 318-P of Harohalli, 2nd Phase Industrial Area.

Accordingly Possession Certificate No: IADB/DO-1&EE/21481/75/2018-19, dated: 13.04.2018 was issued.

Now, the Company vide its letter dated: 06.06.2018, requested to extend the approval for extension of time for further two years to implement the project.

Recommendation made during the meeting held under the Chairmanship of Principal Secretary to Government, Commerce and Industries Department on 29.06.2018:

The representative of the company explained the action taken to implement the project. He informed that possession of land was handed over on 13.04.2018 by KIADB and lease cum sale agreement is issued. They have applied to Commissioner for Industrial Development for issue of Stamp duty exemption certificate to register the lease agreement. He has requested extension of time to implement the project by 2 years.

The effective steps taken by the company is noted in the meeting and after detailed discussions, it was decided in the meeting to recommend to SLSWCC for grant of extension of time by two years to implement the project.

The proposal was examined & approved in the 111<sup>th</sup> SLSWCC Meeting held on 01.08.2018.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

#### GOVERNMENT ORDER No. CI 219 SPI 2015, BENGALURU, DATED 03.09.2018

The Government is pleased to approve to grant extension of time by two years to implement the project, with a condition that further request for extension of time to implement the project will not be considered.

All other terms and conditions indicated in the Government Order No. CI 219 SPI 2015, dated: 14.09.2015 read at (2) above, remain unaltered.

Ltd., to establish a unit for manufacture of "Electronic Controlling Unit for Driver less Car comprising of Night vision Sensor, Pedestrain safety system, Passenger Safety System, Primary and Secondary restraint system, Automatic Break Controls, Autonomous Driving, Automated Route (Trained), Automated Highway & City Driving assistance products" at IT Park Area of Hi-tech, Defence and Aerospace Park, Bengaluru- reg

Read:

- 1. Proceedings of the 103<sup>rd</sup> State Level Single Window Clearance Committee (SLSWCC) meeting held on 04.10.2017.
- 2. Government Order No. CI 217 SPI 2017, dated: 17.10.2017.
- 3. Proceedings of the 111<sup>th</sup> State Level Single Window Clearance Committee (SLSWCC) meeting held on 01.08.2018.

#### Preamble:

State Level Single Window Clearance Committee in its 103<sup>rd</sup> meeting held on 04.10.2017 has approved the project proposal of M/s. Autoliv India Pvt. Ltd., to establish a unit for manufacture of "Electronic Controlling Unit for Driver less Car comprising of Night vision Sensor, Pedestrain safety system, Passenger Safety System, Primary and Secondary restraint system, Automatic Break Controls, Autonomous Driving, Automated Route (Trained), Automated Highway & City Driving assistance products" with an investment of `.213.00 crore, in 10 acres of land in Plot No.30 in IT Park Area of Hi-tech, Defence and Aerospace Park, Bengaluru. Accordingly, Government Order read at (2) above was issued.

The Company vide its letter dated 17.05.2018 above has stated the following:-

- 1. KIADB has issued Demand Notice on 03.01.2018 to remit land cost for allotting Plot No. 30 (Corner) measuring 10 acres of land in IT Park Area, Hi-tech, Defence and Aerospace Park.
- 2. Company has paid `. 8.63 crore to KIADB towards 30% land cost on 02.02.2018 for Plot No.30.
- 3. KIADB has issued allotment letter No.KIADB/HO/Allot/21758/18392/ 2017-18, dated: 26.02.2018 allotting 9.6 acres of land in Plot No. 25-P2 (IT Sector), Hi-tech, Defence and Aerospace Park.
- 4. Company represented to KIADB on 02.03.2018 regarding allotment of wrong Plot and less area and requested to allot Plot No.30, instead of Plot No.25-P2, KIADB has issued allotment letter No. KIADB/HO/Allot/21758/19673/ 2017-18 dated: 17.03.2018. In the same time company has received Caveat Petitions being Respondent vide W.P. No.12272/2018 from the Hon'ble High Court filed by M/s Venture Aerospace Components, staying the letter dated: 17.03.2018 of KIADB. Hence, the allotment of Plot No.30 went into litigation.

KIADB has proposed an alternate plot No. 31, 32-P and 33-P which is measured 12 Acres and allotted vide letter KIADB/HO/Allot/21758/934/2018-19 dated: 17.04.2018. Considering the stay order on plot no. 30, and no sight of immediate relief on this plot no. 30, Autoliv management constrained to explore alternate way to meet our project time line and customer deliver. After careful evaluation of the situation, internally and externally Autoliv Management took decision to go for an alternate option as suggested by KIADB to avoid any further delay in project.

Considering the shape of the plot no. 31, 32-P and 33, (part) and company's specific requirement of length and breadth of the plot, along with other technical and layout requirement to place various structures with the available space, it is not possible to do that in 10 acres in proposed alternate plot. Company has requested to 12 acres land to full fill the project requirement. KIADB and issued allotment letter for 12 Acres.

Justifications for additional land requirement:-

- Specialized and hi-tech crash/sledge test system in their facility for testing purpose, which calls for specific shape and length of
  the building, to accommodate the desired building layout and hence minimum plot width which increases the area need to 12
  acres instead of 10 acres. The additional land will be broadly used & earmarked for factory ,future expansion & area loss due
  to L shape of plot.
- 2. Company has four different facility namely testing facility, R & D center, corporate office, assembly unit of primary and secondary restrain systems. Considering the nature of activity each of them to be accommodated in a given format with separate blocks to meet the movement of men, material, Safety and sound & fire proofing.
- 3. The shape of the plot proposed in plot 31, 32-P and 33 is in L shape, which poses limitations to accommodate factory layout to the optimum level, which is the another reason making it essential to agree for 12 acres instead of 10 acres, which gives the opportunity to place all requirement and future expansion provision.
- 4. Company will be able to adhere to the criteria of 50% ground coverage as its built up area requirement for manufacturing and testing area are very specific, which are separate blocks in nature.

The company has requested for approval of additional requirement of 2 acres of land allotted by KIADB in Plot Nos. 31, 32-P and 33-P of (IT Park Area), Hi-tech, Defence & Aerospace Park, Devanahalli, Bengaluru with revised cost of project to 231.00 crore.

In the 52<sup>nd</sup> Land Audit Committee meeting held on 22.06.2018, the Committee, resolved to recommend to SLSWCC for allotment of 12 acres of land at Plot Nos. 31, 32-P and 33 instead of 10 acres of land earlier approved at Plot No.30 in IT Park Area of Hi-tech, Defence & Aerospace Park, Bengaluru, with revised project cost of `.213.00 crore.

The proposal was examined & approved in the 111<sup>th</sup> SLSWCC Meeting held on 01.08.2018.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

#### GOVERNMENT ORDER No. CI 217 SPI 2017, BENGALURU, DATED 03.09.2018

The Government is pleased to approve for allotment of 12 acres of land at Plot Nos. 31, 32-P and 33 instead of 10 acres of land earlier approved at Plot No.30 in IT Park Area of Hi-tech, Defence & Aerospace Park, Bengaluru, with revised project cost of Rs. 213.00 crore.

All other terms and conditions indicated in the Government Order No. Cl 217 SPI 2017, dated: 17.10.2017 read at (2) above, remain unaltered.

- Proceedings of the 111<sup>th</sup> State Level Single Window Clearance Committee (SLSWCC) meeting held on 01.08.2018.

#### Preamble:

The Proposal of M/s Favorich Infra Pvt. Ltd., to establish a Mega Food Park at Bannenahalli Village, Bookanakere Hobli, Krishnarajpet, Mandya District with an investment of `.99.52 crore in 300 acres of land to be acquired and allotted by KIADB as SUC out of the land notified by KIADB, generating employment to about 2,000 persons was approved in the 27<sup>th</sup> SHLCC meeting held on 13.04.2012. Accordingly, Government Order read at (2) above was issued.

At the request of company, the amendments for approval to set up a "50 MW Solar Plant", with an additional investment of `.300 crore and extension of time by 2 years to implement the project was placed in the 88<sup>th</sup> SLSWCC held on 12.01.2016 and approved. Accordingly, Government Order was issued vide Government Order read at (4) above.

The company's request to grant extension of time by 30 months to implement the project running concurrent with Gol approval with a condition that further request for extension of time to implement the project will not be considered was placed in the 108<sup>th</sup> SLSWCC held on 27.02.2018 and approved. Accordingly, Government Order was issued vide Government Order read at (6) above.

The Company in its letters dated 09.07.2018, 17.07.2018 & 28.07.2018, have submitted that they have taken following effective steps to implement the project & uploaded the documents/informations.

- 1. Final approval from Ministry of Food Processing Industries (MOFPI), GOI on 22.12.2017 for the Mega Food Park Project.
- 2. Term loan sanction letter from M/s Union Bank of India for the project.
- 3. CFE from Karnataka State Pollution Control Board.
- 4. District Level Single Window Clearance of 7 projects for the Sub-lease.
- 5. Stamp Duty Exemption and Concessional Charges for Registration Certificate for Sub-lease.
- 6. Industrial Entrepreneurs Memorandum (IEM) from Government of India.

- 7. Master layout and building plan approval from KIADB.
- 8. Received approval from drawing 2.5 MLD water from Hemavathi River during rainy season.
- 9. Received General License obtained from local Gram Panchyathi.
- Status report regarding contracts awarded and civil works started for land development works, Warehouse, Cold Storage, processing unit and other buildings.

Further, company have requested for demarcation of Mega Food Park Area with details of Sy Nos such as 24,26,48/1, 48/2,48/3, 49/1, 49/2, 49/3, 49/4, 50/1, 50/2, 50/3, 51, 65/1,65/2, 65/3, 65/4, 65/5, 65/6, 65/7, 66/1, 66/2, 66/3, 66/4, 67, 68/1, 68/2, 68/3, 69, 70, 142/1, 142/2, 143, 144/1, 144/2, 149, 183, 184, 185, & 186 measuring total of 60 acres of land at Bannenahalli Village, KR Pet Taluk, Mandya District.

Subjects for inclusion of activity "Industrial, Warehousing and Logistics Park" in land other than the 60 acres area earmarked for the Mega Food Park for allotting to various supporting ancillary industries & to demarcate the Mega Food Park Area with Sy.Nos. for 60 acres of land at Bannenahalli Village, Bookankere Hobli, Krishnarajpet, Mandya District.

The proposal was examined & approved in the 111<sup>th</sup> SLSWCC Meeting held on 01.08.2018.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

#### GOVERNMENT ORDER No. CI 125 SPI 2012, BENGALURU, DATED 05.09.2018

The Government is pleased to approve inclusion of additional activity viz., "Industrial Warehousing and Logistics Park" in land other than the 60 acres earmarked for the Mega Food Park, for allotting to various supporting ancillary industries.

- Proceedings of the 41<sup>st</sup> State High Level Clearance Committee (SHLCC) meeting held on 05 10 2015
- 2. Government Order No. CI 231 SPI 2015, dated: 15.10.2015.
- Proceedings of the 111<sup>th</sup> State Level Single Window Clearance Committee (SLSWCC) meeting held on 01.08.2018.

#### Preamble:

State High Level Clearance Committee in its 41<sup>st</sup> meeting held on 05.10.2015 has approved the project proposal of M/s. Satarem Enterprises Pvt. Ltd., to establish "Municipal Solid Waste Management and Waste to Energy Power Generation" unit with an investment of `..240.00 crore, generating employment to about 300 persons in 30 acres of land at any other suitable location to be identified by KIADB. Accordingly, Government Order read at (2) above was issued.

The Company vide its letter dated: 03.02.2018 has Stated that KIADB yet to allot the land at Chikkahulur / Kamblipura in Hoskote Taluk for establishing the waste to energy project & the validity of approval has expired on 14.10.2017.

Recommendation made during the meeting held under the Chairmanship of Principal Secretary to Government, Commerce and Industries Department on 29.06.2018:

The representative of the company informed in the meeting that KIADB has so far not allotted land for the project and hence implementation of the project could not be taken up.

CDO, KIADB informed that Hon'ble High Court has stayed the allotment of land at Chikkahulur and the land at Kamblipura is so far not been handed over to the Board by the Special D.C, Land acquisition.

After detailed discussions, it was decided in the meeting to recommend to SLSWCC for grant of extension of time by two years to implement the project.

The proposal was examined & approved in the 111<sup>th</sup> SLSWCC Meeting held on 01.08.2018.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

#### GOVERNMENT ORDER No. CI 177 SPI 2018, BENGALURU, DATED 04.09.2018

Sub: Establishment of a "Solar Park" for Solar Power Generation at Pavagada Taluk, Tumakuru District.

Read:

- 1. Government Order No. CI 234 SPI 2015, dated 29.10.2015.
- 2. Proceedings of the 42<sup>nd</sup> State High Level Clearance Committee meeting held on 04.01.2016.
- 3. Energy Department's U.O. Note No. EN 66 VSC 2018, dated 21.07.3018.

#### Preamble:

PR-439

**SC-20** 

In the Government Order read at (1) above, the proposal of M/s. Karnataka Solar Power Development Corporation Ltd., (KSPDCL) to establish "Solar Park" with all the infrastructure facilities for 2000 MW Solar Power Generation with an estimated total investment of around Rs.14,800.00 crore generating employment to about 8,000 persons at Pavagada Taluk, Tumakuru District was issued.

The subject has been placed in the 42<sup>nd</sup> State High Level Clearance Committee meeting held on 04.01.2016 for ratification and the committee ratified the project proposal of M/s. Karnataka Solar Power Development Corporation Ltd.

Energy Department's U.O. Note vide read at (3) above, informed that out of 2000 MW approved capacity 600 MW Solar Power Project is already implemented. For speedy implementation of the remaining 1400 MW Solar Power Projects action has been initiated. In this background Energy Department has requested to renes the approval accorded for the Pavagada Solar Parks and extend the project implementation period for further three years.

Hence the following order.

#### GOVERNMENT ORDER No. CI 148 SPI 2018, BENGALURU, DATE 11.09.2018.

Government is pleased to extend the validity period for approval accorded to M/s. Karnataka Solar Power Development Corporation Ltd., (KSPDCL) to establish "Solar Park" with all the infrastructure facilities for 2000 MW Solar Power Generation with an estimated total investment of around Rs.14,800.00 crore generating employment to about 8,000 persons at Pavagada Taluk, Tumkur District vide Government Order read at (1) above for further period of three years from the date of issue of this order.

All other terms and conditions indicated in the Government Order No. CI 234 SPI 2015, dated 29.10.2015 read at (1) above, remain unaltered.

Sub: Approval to implement "Compete with China" New Scheme announced in

the Budget 2018-19.

Read: Letter No.Pfa ÁE/UÁPf& ÀGPÁ/Pf«C/Pkk Zf£Á/17/2018-19, dated 17.07.2018

of the Commissioner for Industrial Development and Director of Industries  $\&\,$ 

Commerce, Bengaluru.

#### PREAMBLE:

The Hon'ble Chief Minister has announced new scheme "Compete with China" at Para 100 in Budget Speech 2018-19 to increase the production capacity relating to industry in Karnataka.

India has some of the greatest engineering schools and producing a number of highly educated work forces, there are millions of persons who have not undergone formal higher education. Like China, India also has a huge low-skilled population. Low-cost manufacturing requires fewer skills, and any able-bodied person with normal IQ can be trained to work in manufacturing units. The proposal now is to create industrial clusters for producing specific category of goods in various districts of Karnataka.

In view of China's achievement in the area of manufacturing goods like solar power, electrical lightings, bathroom fittings, electronic toys etc., the Hon'ble Chief Minister has proposed to implement "Compete with China" Scheme in Budget 2018-19.

In order to compete with Chinese made goods, spare parts will be manufactured at and assembled in the identified districts at the village level/taluk level and will be marketed domestically and export market will also be explored. To increase human resources as complementary to this scheme, various training programs will be organized.

On the basis of resources and professional skill available in each area, some of the programs to be implemented in various Districts are as under:

SI.No.	District / Cluster	Sector	Remarks
1	Kalaburagi	Solar panels, inverters, capacitors, laminators etc.	It's a backward district in Hyderabad-Karnataka region. The district has availability of dry land for industries and labour
2	Chitradurga	All kinds of LED Lights	The district is on Bengaluru-Mumbai Economic Corridor. IISc & DRDO Campus are located in the district, which will augment the research capabilities into manufacturing.
3	Hassan	Tiles, Sanitary wares and bathroom fittings	The district is well connected by rail and road and also to Mangaluru Port. M/s H&R Johnson India Ltd. has a mega tiles manufacturing unit in Kunigal connecting to Hassan.
4	Koppal	Toys & mechanized toys	Kinhal in Koppal district is traditionally known for manufacturing toys. It's a backward district in Hyderabad Karnataka region. M/s Aequs is also establishing a toys manufacturing SEZ in Koppal district.
5	Mysuru	Integrated Circuit Boards (ICB)	Mysuru has presence of electronic industries and is also near to Bengaluru. Gol has sanctioned Electronic System Design & Manufacturing cluster in Mysuru. The existing eco system would support formation of this cluster.
6	Ballari	Textiles	Ballari has presence of denim manufacturing & stitching since pre independence days. It's also a backward district in Hyderabad Karnataka region.
7	Chikkaballapur	Mobile phone components & assembly	M/s Wistron Infocomm Manufacturing Pvt. Ltd. (the i-phone manufacturers) is establishing their unit in Narasapura, Kolar district. Chikkaballapur district being a border district neighboring Kolar would be ideal to develop this cluster.
8	Tumakuru	Sports and fitness goods	Tumakuru is a tier-2 city near to Bengaluru and is on Chennai-Bengaluru Industrial Corridor (CBIC). Establishment of this cluster in Tumakuru would be ideal to capitalize on the urban market mainly on this corridor.
9	Bidar	Agricultural implements	The district is bordering Maharashtra and Telangana with good connectivity. It is also a backward district in Hyderabad Karnataka region and an agrarian district. It has good availability of labour.

To implement the above proposed scheme, expert workers who have been trained for 3 months to 2 years are essential. In the first phase, training schools will be opened wherever required & training will be provided and also wherever training facilities are available, it will be used for training purposes.

These clusters can have common facility centers with variety of services such as locating markets, linking technology, facilitating common purchases, linking up with designers facilitate subcontracting and training etc. Each cluster can find its own unique model that can cater to the requirements of its constituents.

The scheme will have combination of both soft and hard interventions like Infrastructure development, training, capacity building, skill improvement, marketing inputs, product development and design etc., in order to be successful.

To implement the above scheme, the following are proposed by the Department:

- (i) To procure Knowledge Partner services to assist in conducting detailed studies, formulating strategies and implementation of the program. The purpose of the study is to evaluate the present status and constraints with regard to the product based cluster development in specified districts and to prepare proper strategies & interventions for the same. The study intends to determine the actual field situation in respect of small scale industries including village industries and their problems in respect of inputs, labour and marketing of their output and to determine as to how these problems could be solved or at least minimized through the formation of suitable clusters.
- (ii) State Level Steering Committee under the chairmanship of Hon'ble Chief Minister and Vice Chairmanship of Hon'ble Minister for Large & Medium Industries, Hon'ble Minister for SSI, Economic Advisor to Hon'ble Chief Minister, Chief Secretary, concerned ACS/Principal Secretaries/Secretaries, Commissioner for Industrial Development as Member Secretary, Deputy Commissioner, CEO, ZP, CII, KASSIA, FKCCI, other associations etc., will be constituted to deliberate on the suggestions provided by the Vision Groups/Program Mission Units and District Level Steering Committees and will work out the broad strategy of the scheme implementation.
- (iii) Nine Sectoral "Vision Groups / Program Mission Units" headed by industry leader of the respective sector will be constituted to give suggestions on the implementation modalities for the respective cluster. Each PMU will comprise industry leaders of the sector, sectoral association, district industry association, Officers of Department of Industries & Commerce etc.
- (iv) District Level Consultative Committee under the Chairmanship of concerned District In-charge Minister comprising of local MLA's/MLC's, ZP President/Vice-President, Deputy Commissioner, CEO, ZP, Joint Director DIC's of concerned districts etc. will be constituted to provide suggestions on implementation of the scheme in the district.
- (v) Skill Development Training Programs will be designed based on the inputs provided by Vision Groups/Program Mission Units and will be imparted in association with sector industries and industry associations at the District level. This will be done through District Industries Centers in co-ordination with Skill Development Department. The cost of Skill Development Training including stipend, training cost, raw material cost etc., is up to Rs. 10,000/- per candidate per month. The duration of the training program will be decided based on the inputs by Vision Groups/Program Mission Units. Also, training centers will be established wherever required.
- (vi) To appoint Visvesvaraya Trade Promotion Center (VTPC) initially as Scheme Co-ordination Agency and to provide administrative cost of 1% on the budget for administrative expenses. This will be provided to VTPC to assist the PMUs in identifying/selection of consultants, providing outsourced staff, promotion of clusters, secretarial services to PMUs/steering committees, co-ordinating training programs and building special incentive proposals to industries establishing in the clusters etc.
- (vii) To approve the visit of Core Team of the Department to Guangzhou, Foshan and other clusters in China to study the model of clusters.

Under Head of Account 4860-60-600-0-02(132)-Compete with China Program Capital Expenses, Rs. 500 crore has been provided and Rs. 10 crore under Head of Account 2852-80-102-0-04(059)-Compete with China Program Other Expenses has been provided in Budget 2018-19. Training and Administrative Expenses have to be borne under Revenue Head of Account. However, Rs. 500 crore provided under Head of Account 4860-60-600-0-02(132) under Capital Head will be utilized for establishing training schools and also conducting training programs, which will help in implementing the above scheme.

Detailed working model of this Scheme will be formulated based on the Study Report of the identified Clusters, suggestions of the respective Vision Groups / Programme Mission Units and State Level Steering Committee.

Hence the following order:

#### GOVERNMENT ORDER No. CI 130 SPI 2018 (P1), BENGALURU, DATED 14.09.2018.

In the circumstances explained in the preamble, Government is pleased to accord approval to implement "Compete with China" New Scheme announced in the Budget 2018-19 in the following Districts / Clusters;

SI.No.	District / Cluster	Sector
1	Kalaburagi	Solar panels, inverters, capacitors, laminators etc.
2	Chitradurga	All kinds of LED Lights
3	Hassan	Tiles, Sanitary wares and bathroom fittings
4	Koppal	Toys & mechanized toys
5	Mysuru	Integrated Circuit Boards (ICB)
6	Ballari	Textiles

SI.No.	District / Cluster	Sector
7	Chikkaballapur	Mobile phone components & assembly
8	Tumakuru	Sports and fitness goods
9	Bidar	Agricultural implements

Further, the Government also accorded approval for the following proposals:

- (i) To procure Knowledge Partner services to assist in conducting detailed studies, formulating strategies and implementation of the program following the transparency procedures.
- (ii) To constitute State Level Steering Committee under the Chairmanship of Hon'ble Chief Minister and Vice-Chairmanship of Hon'ble Minister for Large & Medium Industries.
- (iii) To constitute Nine Sectoral "Vision Groups / Program Mission Units" headed by industry leader of the respective sector.
- (iv) To constitute District Level Consultative Committee under the Chairmanship of concerned in-charge District
  Minister.
- (v) To approve the cost of Skill Development Training including stipend, training cost, raw material cost etc., up to Rs. 10,000/- per candidate per month and to approve for establishment of Training Centers wherever required subject to approval from the competent authorities.
- (vi) To utilize funds provided under Head of Account 4860-60-600-0-02(132) Compete with China Programs-Capital Expenses for establishment of Training Centers wherever required and for conducting training programs depending on the need and subject to approval from the competent technical and administrative authorities.
- (vii) To appoint Visvesvaraya Trade Promotion Center (VTPC) as Scheme Co-ordination Agency and to provide administrative cost of 1% on the budget. Expenditure incurred on required and approved activities will be met under HoA 2852-80-102-0-04(059) - Compete with China Program - Other Expenses and Rs. 10 crore be released to VTPC during 2018-19.
- (viii) To approve the visit of Core Team of the Department to Guangzhou, Foshan and other clusters in China to study the model of clusters with approval from the competent authorities.

This order is issued with the concurrence of Finance Department vide Note No. FD 271 Exp-I/2018, dated 23.08.2018 and Planning Department vide Note No. PD 17 PFR 2018, dated 30.07.2018 and approval of the Cabinet in its meeting held on 06.09.2018 vide subject No. C:533/2018.

By Order and in the name of the Governor of Karnataka,

PR-440 SC-20 NAGARATHNAMMA.G

Desk Officer (Technical Cell),
Commerce & Industries Department.

# WATER RESOURCES SECRETARIAT ADDENDUM ORDER

No. WRD 13 DSP 2017, Bengaluru, Dated 08-08-2018.

In continuation of the Government Order No: WRD 16 DSP 2016, Bengaluru, Dated: 29-05-2017 "According Administrative Approval to the Revised Cost of Rs. 581.18 cr of Dam Rehabilitation and Improvement Project (DRIP) with Loan Assistance from the World Bank" as per the concurrence of the Finance Department vide note No: FD 140 FC-1/17, Dated: 10-04-2017 the following is included.

The World Bank originally allocated Rs. 276.75 cr for the State with an initial funding pattern of 80:20, The original allocation was later re-appropriated to Rs. 305 Cr, for which the already approved State share is Rs. 61.00 cr.

The Revised Cost of Rs. 581 cr was approved in the 77<sup>th</sup> Screening Committee of DEA, this Revised Cost required an additional funding of Rs. 276 cr, for which the revised funding pattern is 70:30 and hence the State share is Rs. 82.85 cr.

The total State share to be borne by revising the funding pattern of additional Cost is Rs. 143.85 cr. (Rs. 61.00 cr+Rs.82.85 cr.)

Already approval has been given to the total State share of Rs. 116.24 cr. Approval to be given as the balance amount to be borne by the State Government is Rs. 27.61 cr. (Rs. 143.85 cr-Rs. 116.24 cr)

In view of the above, the revision of the funding pattern of additional Cost of World Bank assisted Dam Rehabilitation and Improvement Project and to bear the balance State share of Rs. 27.61 Crores is hereby approved by the Government as per the concurrence of the Finance Department vide note No: FD 163 FC-1/18, Dated: 19-07-2018.

The Chief Engineer, Water Resources Development Organization and Nodal Officer (DRIP) should ensure that -

- 1) There will be no further revisions in the approved project cost i.e. Rs. 581.18 cr.
- 2) Completion/target date may be strictly adhered to.

**395** By Order and in the name of the Governor of Karnataka,

50 B. HARINARAYAN

Under Secretary to Government, Water Resources Department (Tech-5)

PR. 395 SC. 150
